EXECUTIVE GROWTH SUMMARY

SmallBizSEO partnered with Houston Art Services to analyze and expand their localized search index presence in the active Houston, Texas territory. Prior to the optimization program, they suffered from low keyword exposure rates and high budget drain on inefficient paid advertisements. SmallBizSEO executed an end-to-end local SEO campaign. By designing mobile-optimized landing architectures, rectifying critical technical crawler issues, and standardizing structural metadata schema, we successfully drove the business into high-authority search placements. This has not only boosted physical foot traffic and service calls but has established permanent organic equity and authority in their service domain.
